PRODUCT NAME	EDUCATION PROVIDER FUND

1. The Fidelity Life Education Provider Fund guarantees the availability of school fees to the elected child or children whether the parent is alive or late. Apart from being a with life cover policy the plan earns bonus at the turn of each year. Premiums are payable for a fixed term which shall be dependent on the nominated child's age.
 - i. Benefits are paid per term starting from the first term of the year the entitled child commences secondary education up to the third term of the sixth year in high school.
 - ii. The policy gets paid up upon premature death of the insured parent or guardian and will provide full benefits on the due dates for the elected child or children.
 - iii. In the event of premature death of the nominated child, the parent or guardian has a right to nominate another beneficiary or to receive benefits when they become due.
 - iv. The policy removes the financial challenges associated with payment of school fees. No more (January disease) for holders of this policy.
 - v. Allows the policyholder to concentrate on other financial plans without having to worry about school fees.
